

Who We Are

For the past fourteen years, Oscar4B has been synonymous with the conception, organization, and production of exceptional business functions and events in Israel and abroad. Oscar4B provides clients with comprehensive services including establishing overall objectives, developing the content and agenda, securing artists and speakers, and acquiring sponsor support. Every client is unique and Oscar4B adapts itself to the distinctive needs and requests of each project.

Our years of experience in the business and political arenas contribute greatly to our ability to reach key figures in the industry to enhance any occasion. An experienced team that will be at your service from start to finish will guarantee the perfect event... and complete peace of mind.
